Sir,

Subject:- Information regarding the area of the Districts, Sub Divisions and Taluks.

With reference to your letter No.E.2643/Census dated 24th August 1949 askingfor information regarding the area, population, Land Revenue demand of Districts and Taluks etc., I have the honour to forward herewith as desired two statements showing the particulars - one in respect of Districts and another in respect of Taluks - for the information of the Census and Election Commissioner, Udaipur.

As regards the principles underlying the formation of Districts, Sub Divisions and Taluks in the State, there are no hard and fast rules except that the units must have been originally formed according to administrative and public convenience. It may be inferred from the enclosed statement that all the Districts except Bangalore (Urban) have a Land Revenue demand of above Rs.10 lakhs and below Rs.20 lakhs and the number of Taluks comprising each District range between 7 and 11.

Yours faithfully,

Sd/- Udayaraj 5/9
